

★ I Ride My Bike Safely! ★

1

I wear my helmet
before I ride.

2

I buckle my helmet.
It keeps my head safe.

3

My helmet fits.
It stays on my head.

4

I ride in safe places.
I look where I am going.

5

I watch for people.
I watch for cars.

6

I keep my hands
on the handlebars.

7

I stop when I need to stop.

8

If I fall, my helmet
helps protect my head.

9

I stay with an adult.
We ride together.

Helmet on.

Ride safely.

Have fun!
